OUR MANUFACTURING INDUSTRY

- ▲ Our doors and window frames are made of thick **16 GAUGE TATA GI SHEET** with the help of modern machinery and do not rust or deteriorate over time. They are also available in different designs.
- ▲ The doors and window frames we showcase are manufactured from high grade steel using state-of-the-art technology. The products go through stringent quality measures to ensure supreme resistance to fire and other hazards generally experienced in case of wooden doors and window frames. These include termite infestation and warping. Factory-engineered to durability and perfection, every product from TTEch is uniform in quality and finish.
- ▲ Easy and quick installation process by our trained technicians further adds to the popularity and acceptance of TTEch Doors and Windows. Our aim is to offer complete happiness and peace of mind to its users in terms of beauty, price, quality, durability and security.
